When All Else Fails... 5 minutes

ARES made a difference during the recent hurricanes.

- Immediately at the onset of Hurricane Katrina, over 1,000 FCC-licensed Amateur Radio operators provided continuous communications for state, local and federal emergency workers in and around the affected areas in Louisiana, Mississippi, and Alabama.

Emergency Communications 5 minutes

“In an emergency, **communications is essential** and time is the greatest value”

“The ability to gather information is the difference between life and death.”

Kentucky Governor Ernie Fletcher

Amateur Radio works... 2 minutes

Hams were heroes during Oregon flooding

“I’m going to tell you that the heroes from the beginning of this, were the ham radio operators. These people just came in and actually provided a tremendous communication link to us.”
